## **ANNOUNCEMENTS**

Tickets are \$15 per person, we do not offer complimentary tickets for families. Please remember that every occupied seat needs a ticket regardless of age or reason occupied. (Infants under 18 months may sit on a lap). We need to make sure there are enough seats for everyone, thank you!

**The performances are for family, friends, and community members. Dancers are not allowed to have a ticketed seat and watch the show. They are able to watch other classes during dress rehearsal. We have helpers backstage to make sure all the dancers stay in their designated spots though the entire show. If you would like to pick up your dancer backstage after they are done and take them home early, please contact your child's teacher to make arrangements.**

### **COOKIE RECEPTION**

Help us celebrate all the hard-work of the dancers and teachers by bringing a plate of cookies to share following the Saturday evening performance. You can drop treats off in the high school commons after 6pm.

*\*We will have a designated area for gluten free options!\**

Thank you in advance for helping us with this fun tradition.

### **FLOWER FUNDRAISER**

Bouquets will be for sale at costume pick-up. The money from this fundraiser goes directly towards our scholarship program.

You can order bouquets for either Friday or Saturday and pick them up at the show.
